Registration for 2010-11

2010-2011 Tuition Cost

Registration for our 2010-2011 Preschool classes are underway. We are thrilled that so many of our 3's class will be returning with us in the fall!! Thanks so much for your support.

If you have not been able to register for the upcoming school year and would like to, we encourage you to stop by the office and get a registration packet. We will begin open enrollment for the public on February 9, 2010.

Also, thank you to our parents that have been so kind as to spread the news about their experience here at Peace Preschool, and have encouraged others to enroll their children!!

To thank our parents for recommending our preschool, we are offering the "Tuition Rewards" program this spring. Effective February 1, 2010, all new families registering for the fall will have a place on the application to let us know who to thank for the referral. We will then let you know, and to say thank you we will be offering a \$25.00 Tuition credit voucher for each new family that you helped bring to Peace UMC Preschool. **WE LOVE OUR PRESCHOOL FAMILIES!!**

There will be a change in the Tuition rates for the 2010-2011 school year as determined by the PUMCP Board. It is an increase, set to absorb the costs of the increased operating expenses. These tuition rates continue to place Peace Preschool as one of the more affordable preschools in the area offering a quality Preschool/Pre-Kindergarten program.

The rates are:

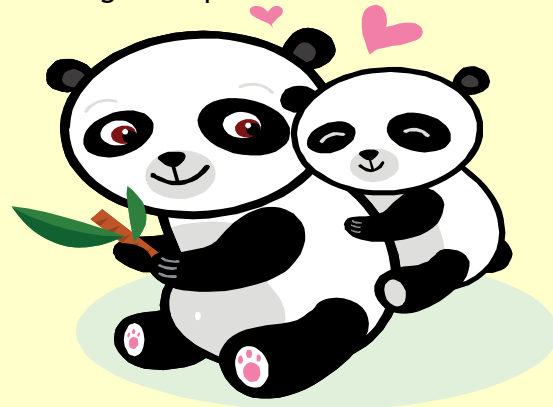

3 year old class: \$120/month

4 year old class: \$175/month

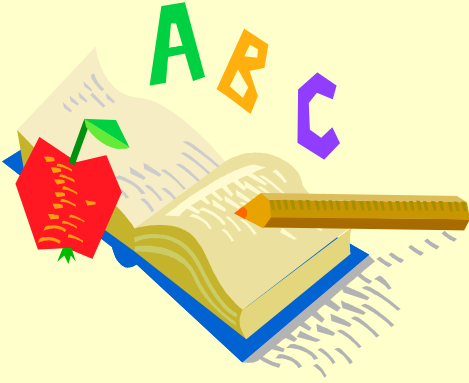

Mom's Tea

A Peace UMC Preschool Tradition is the Mom's tea; it is a wonderful hour that mom's come to spend in the classroom with your child, enjoying a story, fingerfoods, punch, a game, and more activities. We do ask that this be a time with you and your preschooler, preferably, siblings do not attend.

Parent volunteers from the Preschool Board members have offered to care for/watch any siblings here at the church during the tea. Please let us know via email, if you will be needing these parents. Thanks

Happenings in the Fabulous Fours

Reading and Writing Fun

The children are really working hard on their letter recognition skills and the sounds of the letters. They are even putting sounds together and “reading” words. WE are using a tapping/clapping approach with our sounds, when sounding out the letters in the word CAT, we tap the C and say the /k/ sound, move our finger and tap the A, say /a/, tap the T and say the /t/ sound. Then we tap our finger again each time a little quicker, to move the sounds together. This will lead us up to when we will begin clapping out the syllables in the words this month also, i.e. pop-corn, 2 claps.

Love letters

Our value lesson throughout February is *Love*. Beginning the week of February 9, 2010 we will have an empty heart on our bulletin board, with strips of paper next to it just waiting to be placed on the heart. The children will place a “love letter” on the heart when they show love, i.e. *love is patient, love is kind, love is manners, love is sharing, love is nice words*. When our heart is “full of love” we will celebrate with a special day by bringing in a stuffed friend that we love, and sharing a fun day with that friend!!

Pink, Hearts, letters and numbers comparisons & sorts oh my!!
